# ADMISSION PROCEDURE

---

## For Online Admission Process

Applying for undergraduate or postgraduate programs is a breeze with our user-friendly online platform. Simply visit the University website and register yourself. During registration, ensure you have a color photograph, a valid email address, and the mark sheet of your qualifying examination handy. Fill in the required details and select the registration option. Upon successful registration, you'll receive your username and password via SMS and email.

Once registered, log in using the provided credentials to complete the application form. After filling in all necessary details, don't forget to take a printout of the application form. Submit this printed form along with the required documents to the respective college. Please note, failure to submit the printed application form with the necessary documents will render your application incomplete.

Ensure a seamless registration process by adhering to the following guidelines: provide a valid phone number and email address to receive important updates; upload a recent photograph meeting the specified dimensions (35x45 mm, resolution 72 to 150 DPI); and submit documents including marksheets of 10th and 12th standard certificates of the qualifying examination.

## For Offline Admission Process

If you prefer the traditional route, simply obtain the prescribed application form attached to this prospectus. Complete the form diligently and submit it to the office within the designated timeframe.

Upon receipt of application forms, candidates will be interviewed by an admission committee. The committee considers both the candidate's performance in the last qualifying examination and their interview before finalizing the list of recommended candidates for admission. In the case of MSW admissions, an entrance exam may be conducted.

Ensure your spot in our esteemed institution by following these straightforward offline admission procedures.
